President's Letter

I am honored to be serving as President of the Superior Scholarship Foundation Board. It's exciting to be working with the dedicated new Board of Directors which include Jay Matushak, Vice President; Lynn Krause, Secretary; and Dave Minor, Treasurer. I know I have "big shoes" to fill following the diligent work of my predecessor, Foundation President James Zastrow.

Referring to "shoes" is a good segue for me to introduce myself. My name is Michelle (Bear) Baddin. I am a Superior native. My parents were the previous owners of Bear Shoe Works. I graduated from Superior High School in 1974. After attending UWS, I started my professional career teaching English 7 and 8 at East Jr. High School in Superior. Once my career was established, I returned to UWS taking night classes to become a licensed school counselor. As a school counselor I worked at many schools in the district including Pattison, Blaine, Lincoln, Nelson-Dewey, East Jr. High, and Superior High School. Following 35 years of employment with the Superior School District, I retired in June of 2013, (although I still work part time as a substitute teacher). Hence, I continue to maintain a lengthy alliance to the students in Superior.

Continued from page 1

My role as a high school counselor allowed me to work very closely with students as they prepared to make transitions to their post-secondary ventures. I have witnessed students' smiles as they articulate their dreams. I have experienced the glistening in students' eyes when they discover they have been accepted to the post-secondary institution of their choice. I have heard the glee in students' voices when they realize their future plans are soon to be a reality. I have had the pleasure to dialog with students' about how they will make a difference in the world. But most significantly, I have listened to students' words of appreciation as they reveal how scholarships have made a difference in their lives. And it is such a pleasure to hear firsthand how the Superior Scholarship Foundation has made a positive impact on so many students' lives.

In 2015, 127 scholarships totaling \$249,000 were awarded to graduating seniors to be used for post-secondary education. These scholarships financially support students' first year expenditures at institutions of higher education. Selected scholarships are renewable for subsequent years. Generous donations from SHS alumni, community members, and friends make these scholarships possible. If you would like to make a tax-deductible donation to the Scholarship Foundation:

Paul Buchannan Honored

Paul Buchannan, a graduate of Superior Senior High, was recently memorialized by family and friends when his family chose to set up a new DECA fund to help students attend various DECA events in future years. Paul participated in many activities at Superior Senior High and among these was the DECA program. Paul, a bright, friendly student participated in DECA under the direction of Paul Zollver. Paul Zollver retired this past spring and will be greatly missed. He advised hundreds of students

over the years as he encouraged their growth in the field of marketing. Paul Buchannan studied under Paul Zollver and competed successfully in regional, state and national competitions. His family appreciated the excellent leadership growth that the DECA program offered their son and has chosen to honor his memory by helping future students in the field of marketing.

Jim Zastrow Retires

The Scholarship Foundation will lose a talented board member in July as Jim Zastrow will retire from the Foundation Board. Jim has served for several years as a board member, Treasurer, Vice-president and President. Under his direction Jim reorganized the long term goals and committees. Always positive, Jim was able to bring out the best in people. Jim never asked others to do more than what he was willing to do himself. The Scholarship Foundation sincerely thanks him for countless hours of volunteer time to better the Foundation to help students in the Superior School District.
