## New Scholarships

The Scholarship Foundation has received three new scholarships for the Class of 2017. All three are endowed scholarships so they will continue on for future classes.

The first graduating class from Superior Senior in 1966 had a fund raiser when they had their 50th reunion. Tuula Harris not only helped organize the reunion, but also a scholarship fund. With the money donated by classmates they have set up a Class of 1966 Scholarship and also donated to the Student Activity Fund. The Student Activity Fund is used by students for field trips and other activities, which could not otherwise be possible due to the school district budget constraints.

The last graduating class of East High School in 1965 has also raised funds to provide an East High School Class of 1965 Scholarship. This scholarship will be awarded to a graduating senior residing within the boundaries which were originally for students attending East High School.

The third new scholarship is the William C. Ellison Scholarship. William Ellison graduated from Superior Senior High School. He attended the University of Wisconsin - Superior

and received a degree in Art Education. William taught school in the Menominee, Wisconsin area. He never married or had children, so upon his passing last year, he left his WEA retirement funds to the School District of Superior Scholarship Foundation. One half of the funds were placed in the William C. Ellison Scholarship Fund and one half of the funds have been added to the Student Activity Fund. William's nephew, Corey Workman, arranged for this to be possible.

The School District of Superior Foundation, Inc. would like to thank all of the individuals who made these scholarships and funds available to the youth in the Superior School District.

Ed Johnson, a former Superior teacher has also donated funds toward a future scholarship in memory of his parents. Anyone wanting to contribute to this future scholarship may contact Joan Parenteau at 715-394-8110 for additional information.

The Foundation would like to remind our community that all donations to any of the School District Scholarship funds are tax deductible.

## A Special Thank You
